REQUEST FOR APPROVAL OF DRAWINGS

In accordance with the provisions of 37 C.F.R. §1.123 and §1.85, and MPEP §608.20(r), attached is a copy of the substitute drawings which have been submitted in the subject case pursuant to the Examiner's requirement herein for new drawings. This case was originally filed with information drawings, and the Examiner has, in the Office Action dated 01/30/2004, required the substitution of new drawings therefor. The drawings have been undergone merely formal, non-substantive changes to make the drawings adequate for publishing. All such changes are fully supported by originally filed drawing Figures 1A through 8, and no new matter is involved. Approval of these drawing amendments is requested.

Respectfully submitted,
